BOROUGH OF CARTERET

DANIEL J. REIMAN, MAYOR

Dear Neighbor:

Carteret is one of the most dynamic and progressive towns in Central New Jersey. Residents and visitors are continually rediscovering Carteret's potential, while our quality of life standards are shaping the quaint livability that is Carteret. With our growth has come a wealth of public recreational amenities that has redefined Carteret as a great place to live, work, and raise a family.

With over \$70 million invested in our parks system alone, Carteret now proudly boasts a range of public recreational facilities that includes our Waterfront Park – 17 acres of picturesque open space hosting our popular fishing pier, boat launch, passive and active recreational amenities, including miniature golf, a putting green, walkways, a bike path, and a sensory perception garden, along with plans for our future marina and River Walk extension.

With 10 other parks showcased in this quiet community, offering a range of state-of-the-art sports facilities, natural landscapes, and our 36,000 square foot health and wellness center, Carteret has become a welcome home to both fitness and relaxation, offering the perfect balance of work and pleasure to any resident.

Please take a moment to discover - or rediscover - our parks system, one of the many reasons why Carteret is *"the center of it all."*

Sincerely,

Daniel J. Reiman

Mayor

The park's namesake, **Dr. Bishop Willard K. Andrews** was born on July 11, 1920 to Columbus and Gracie Lee Andrews in Lightwood, Alabama. He attended public school then volunteered for the Armed Services during World War II, serving with the 375th Engineer Division. He served with distinction from August 8, 1942, until December 9, 1945, when he received an honorable discharge for gunshot wounds and a loss of sight sustained during service, earning the EAMETO, APTO, and the World War II medals. Willard returned to the states and worked as a farmer until he relocated to Vauxhall, New Jersey, in 1947, finding employment with the Elastic Shop - Nut Company. Willard Andrews joined the ministry in 1950 as an Elder with the True Holiness Pentecostal Church of Vaux Hall. In 1954 he

graduated from the Christ Bible Institute where he received theological training, and soon after founded and ministered the Revival Center Church. He was ordained a Bishop in 1958, and to the Apostleship in 1968. In 1965 Dr. Bishop Willard K. Andrews married Nobie Lee Tharington, a union that bore 4 sons, Willard David, Michael Wiley, Daniel C., and Jason Justin Andrews. In addition to his ecclesiastical services, Dr. Andrews demonstrated an unwavering commitment to his community with charitable organizations that provided counseling, shelter accommodations, and food and clothing to those in need. Dr. Andrews was a Housing Authority Commissioner and founder of the Revival Center Church on Edwin Street. He died on October 20, 1994.
